

NATURALLY SUSSEX

FINE FOODS FROM SUSSEX

Welcome

TO CORBINS OF UCKFIELD

Hams to hampers, cheese to chocolate, Corbins has been supplying fine food to Sussex and beyond for over 15 years from our shop in Uckfield. In a world increasingly dominated by characterless multiples, Corbins provides an oasis of individuality and charm.

Corbins is an independent family-run business which continually strives to set itself apart from the retail chains by providing high quality distinctive foods supported by impeccable customer service.

As well as an extensive range of farmhouse cheeses for which we are justly renowned, Corbins offers ranges of salamis and cooked meats, pies and pâtés, olives and marinated goods, homemade salads and cakes, as well as a range of dried, packaged goods and local handmade chocolates. Corbin's has an enviable reputation for its freshly made sandwiches using ingredients straight from the deli counter.

As consumers have become increasingly demanding about the quality and origins of the food that they eat we have increased our ranges of locally produced and organic products. So that today, wherever possible, we source our products locally from producers based in the Wealden area and are able to offer organic options in a wide range of foodstuffs from wine, cheese and chutneys through to tea, cookies and chocolate.

At Corbins we excel in preparing food as well as selling it! Whether it is a freshly made to order sandwich and homemade cake for lunch at your desk or a full blown wedding feast we can cater for your every need.

Picnics

We are fortunate to be located on the edge of the Ashdown Forest in the beautiful Sussex countryside. As such we are close by many attractions and beauty spots including amongst many others Sheffield Park, The Bluebell Railway, Glyndebourne Opera and the South Coast. So if you are planning a day on the beach or a night at the opera why not treat yourself to a Corbin's picnic.

Our picnics are all freshly prepared on the day and come supplied in a purpose made, easy to carry picnic box complete with disposable cutlery, glasses and napkins. Picnics may be two, three or four courses to include a cheeseboard. Why not enjoy a glass of wine with your meal? Corbins offers a range of local wines and ciders from four Sussex vineyards plus quality vintages from the continent and beyond.
